The Passing of the Peace

The Hymn of Praise

BUNESSAN

Morning Has Broken

1. Morning has broken like the first morning,
blackbird has spoken like the first bird.
Praise for the singing! Praise for the morning!
Praise for them springing fresh from the word!
2. Sweet the rain's new fall sunlit from heaven,
like the first dew fall on the first grass.
Praise for the sweetness of the wet garden,
sung in completeness where his feet pass.
3. Mine is the sunlight! Mine is the morning
born of the one light Eden saw play!
Praise with elation, praise every morning,
God's recreation of the new day!

REGENT SQUARE

In the Garden God Told Adam

1. In the garden God told Adam, "Listen close to what I say:
You and Eve may eat all things but from that tree you stay away!"
God has gifted us with boundaries; there we'll live in harmony.
Come, you people, heed God's wisdom; join the holy symphony.
2. Then the serpent slyly slithered, speaking to them with deceit.
Suddenly their eyes were opened, feeling naught but indiscreet.
God has gifted us with boundaries; there we'll live in harmony.
Come, you people, heed God's wisdom; join the holy symphony.
3. God was walking in the garden, seeking Adam, seeking Eve,
but their doings made them distant, giving God just cause to grieve.
God has gifted us with boundaries; there we'll live in harmony.
Come, you people, heed God's wisdom; join the holy symphony.
4. Every day has many choices. Which is easy? Which is right?
Let us trust in God's instruction; there we'll find our true delight.
God has gifted us with boundaries; there we'll live in harmony.
Come, you people, heed God's wisdom; join the holy symphony.

A Right Spirit

Sherami Harris, mezzo-soprano; Stafford Turner, bass

Create in me a clean heart, O God, and renew a right spirit within me.
Purge me from my sin, and I shall be pure; wash me, and I shall be clean indeed.
Have mercy on me, O God, have mercy on me, according to your loving kindness.

The Doxology

Praise him, all creatures here below;
Praise him, above ye heavenly host;
